

South Brent Community Energy Fund Application Form

Please read the guidance notes before completing and submitting this form.

Section 1 - About you and your organisation:

Your name:

Organisation's name:

Address:

e-mail and phone numbers:

Type of organisation applying to the fund (e.g. charity, school, social enterprise):

Please include official number (i.e. company or charity number). We may ask for your organisation's most recent annual report and accounts or bank statements.

Section 2 - Project details (continue on a separate sheet if necessary):

Description:

Who will benefit:

How much energy will it save or generate:

Details of any other partners involved:

Timescale – when do you plan to start your project?

Section 3 - Costs and Finance

Total project cost: £

Value of grant you are applying for: £

Match funding applied for/already secured: £

Please provide as much detail as you can, including the contribution you can make from your own resources. We will need to see two or more quotes for the installation of equipment, which quote you prefer and why.

Section 4: Declaration and Submission of Application

I understand that the information I provide will be circulated to the SBCES Board of Directors and used to determine my organisations eligibility for a grant and to communicate with me about the application. If successful, South Brent Community Energy Society may publish information about the project, including the size of the grant, in its newsletters and website. Personal details will be held securely, in line with our Data Protection Policy and not passed onto third parties.

Signature on behalf of applying organisation:

Date:
